YMCA OF GREATER WAUKESHA COUNTY  
**2022 ANNUAL REPORT**

# SOMETHING GREATER

Dear YMCA Friends,

As we reflect on 2022, we are thankful for the opportunity to make an impact in the broad and diverse communities we serve. Every day, our community partners, members, donors, and staff work together to deliver the promise of strengthening our communities by connecting all people to their potential, purpose, and each other.

We have been determined and steadfast in uncertain times throughout the last few years, and working together, we have had a strong recovery. Over the last year, our membership and programs had significant growth as we create opportunities for people to find their why and be a part of all we do.

Our Board of Directors guides a great deal of the Y's success. They have stayed the course over the last several years, helped position the Y for growth in the rebound of the pandemic, and supported our staff to carry out the needed and valuable work. In addition, our donors continue to support our mission that allows the Y to provide financial assistance, subsidize program fees and address community needs. The Y is a valuable community resource and is respected and trusted. With this comes high expectations and responsibility; we recognize the significance of what we do every day, and our dedicated staff teams are up for the challenge.

The YMCA looks forward to the year ahead with continued growth, defined strategic initiatives that drive our impact, developing new avenues of service and partnerships, and continued support from our YMCA friends.

The Y is so much more than words; it's about people and the stories and impact that come together. It is a place where people come together to believe in something good and belong to something greater than themselves. Enjoy the pages in this report that capture the true spirit of the YMCA of Greater Waukesha County.

Thank you for walking alongside us on this journey.

## **SPIRIT OF SERVICE AWARD** SCOTT NAZE

In every successful organization you will find key individuals who create positive change and inspire growth. The Board of Director's established the Spirit of Service Award to honor those who significantly impact our organization, exemplify our mission, and provide outstanding leadership with the commitment to serve all.

This year's recipient, Scott Naze, has been a cause-driven leader and has provided outstanding leadership and vision as the Chief Volunteer Officer for the last two years. Scott joined the Waukesha YMCA Board in 2006 and soon became involved on several committees. He was also involved in developing the organizational model with the addition of the Mukwonago YMCA in 2011 and provided leadership in the 2014 acquisition plan that significantly expanded our community reach. Scott also serves on the YMCA Foundation Board, which governs the long-term financial investments and needs of the organization.

Scott became Vice-Chief Volunteer Officer in 2019 and successfully chaired the Board Governance Committee. During his tenure, we deepened board engagement and strengthened committee involvement, especially related to progressing our strategic plan across all branches. Scott assumed the Chief Volunteer position in 2021 and developed key strategies that have resulted in strong operational performance recovery over the last two years. The CVO and CEO commitment to invest in YMCA staff and create additional full-time positions proved crucial in our ability to expand

programs, grow membership, and register record high marks on satisfaction surveys. Scott also created the future facility planning committee, which is conducting work to identify growth opportunities within our expansive service area. His commitment and vision will ensure the YMCA is set up for future success. Scott grew up spending a lot of time at the Y with family and friends taking part in many of the great activities that are offered. Scott says, "I saw firsthand the positive impact the Y had on my family and others in our community and wanted to be a part of seeing that continue in the greater Waukesha area. My board experience has only increased my passion and commitment to the Y and our ongoing efforts to help strengthen our local communities through the services and programs the Y offers."

Thank you, Scott, for your significant leadership. Your support will have an everlasting positive impact on the YMCA of Greater Waukesha County.

## INSPIRING IMPACT AWARD KATHY WESTPFAHL

As a non-profit organization, we are fortunate to have many Y champions who are willing to dedicate their time, energy, and passion to help us create a stronger community. The Inspiring Impact Award recognizes an outstanding individual who has inspired others in support of the life-changing programs and services at the Y.

When you attend a staff rally, you will find a very enthusiastic Kathy hyping up the YMCA retirement plan. But it does not stop there; Kathy's enthusiasm for life and the Y carries through her day-to-day interactions with everyone she meets at the Y. It is not only Kathy's enthusiasm that is contagious but her work ethic and her passion for financials and program planning.

Kathy started her Y career immediately after college at the Marshalltown, Iowa YMCA in 1984, where she was hired as the Physical Director after a college internship at the YMCA in Waterloo, Iowa. Kathy states, "I learned so much from inspiring leaders. A host of other hardworking, fun-loving professionals embraced me, welcomed me as part of their team, and saw potential in me. I thought I would be a recreation director on a cruise ship. But then I found the Y,"

Kathy moved to Wisconsin and continued her career as Physical Director at the Waukesha YMCA under Bob Jurci, Executive Director, in December 1986. She led the fitness department and was introduced to the noon volleyball crowd. She played volleyball with the guys every Thursday and experienced traveling with them on many occasions. This is one of Kathy's fondest memories of her career with the Y.

Her dedication and passion for Y programming and operations advanced her to the Program Operations Director before she accepted a position as Associate Executive Director at the West Suburban YMCA in June

of 1997 and back to the Waukesha YMCA in March of 1999 as Associate Executive Director under Chris Becker, CEO.

Kathy worked closely with Chris during several milestones for the Waukesha Y, including the Mukwonago YMCA and the Tri County, West Suburban, and Southwest YMCAs purchase. Kathy's positive work ethic and attention to detail were valued during this time. She was promoted to District Executive Director in 2014, overseeing Waukesha, Carroll, Camp Double Eagle, and Y Children's Academy.

"The Y provides opportunities to grow professionally, has taught me valuable life skills, is inter-generational, and has introduced me to lifelong friends. The Y gets in your blood. It has made a lasting impression on me, and I'm thankful for the opportunities I've had to help others. Our work is rewarding, and no two days are alike, making work more exciting."

During Kathy's tenure, you would have seen her involved with the volleyball group, early bird exercise group, golfing, or spending her downtime on the boat with her husband at their favorite location, Lake of the Ozarks. Now that Kathy has announced her retirement to commence at year's end, we expect her to spend more time golfing and boating.

Kathy, thank you for inspiring us all and making a lasting impression on all you encountered during your Y career.

## CAUSE-DRIVEN LEADER AWARD

We are proud to acknowledge their contributions and showcase those who are truly living our cause.

## ANNUAL CAMPAIGN FUNDRAISERS

Through the generous support of individual, corporate, and foundation donors to our Annual Campaign, we are building a stronger community.

To support our Annual Campaign efforts, each branch holds an annual fundraising event where everyone comes together to learn, celebrate, and give back to the Y.

With each golf swing or muddy footprint, participants help us break down the financial barriers in our community, allowing the Y to serve more children, adults, and families.

All together, the members, friends, and donors who attended our 2022 Annual Campaign events helped raise \$146,000. The proceeds from each event stay directly in the Y's community and support individuals by providing financial assistance for Y membership and programs.

### Thank you to our 2022 lead event sponsors.
