Throughout the summer, we feature different themes filled with new activities, experiences, and memories. Children develop strong relationships while enjoying activities like swimming, crafts, physical activity, and more. COUNSELOR IN TRAINING AGES 13-15

In our Counselor In Training (CIT) program, teens have the opportunity to shadow and be mentored by our Summer Day Camp staff. During their time at camp, CITs will develop leadership skills through interactions with counselors and work with counselors to develop lesson plans to lead group games and activities.

In order to become a CIT, teenagers will need to complete an application (available at gwcymca.org/Summer-Day-Camp) and will be invited to interview with camp leadership staff. After successfully completing the interview, CITs must attend a mandatory one week training program consisting of classroom education and interactions with counselors and campers. Interview dates will vary by location.

During training week, CITs will learn about camp and the responsibilities of being a camp counselor. They will also have the opportunity to become CPR certified during the training week.

Upon completion of the one week training program, CITs are required to attend, at minimum, three additional weeks of camp during the summer. CITs will be assigned by camp leadership staff to a counselor and an age group to assist at the camp, where they will have the opportunity to develop their leadership skills. CITs will be provided with CIT t-shirts (3) and a name tag that they will be required to wear during their weeks at camp.

TRAINING WEEK

Week 1 (June 15-19)
CITs will explore an enhanced curriculum that will prepare them to be a camp counselor. All CITs will have the option to become CPR certified.
CITs must attend all five days and successfully complete Week 1 Training Week in order to attend additional camp weeks 2-11.

Member: $194 | Program Participant: $224

ADDITIONAL WEEKS*

Weeks 2-11 (June 22 – August 28)
CITs who pass Week 1 Training Week are required to complete a minimum of three additional weeks of camp. During these additional camp weeks, CITs will practice their leadership skills and assist with camp as assigned by camp leadership staff.

*3 Weeks Minimum
Member: $85 | Program Participant: $105 (per week)

SWIM LESSONS AT CAMP

Our convenient, 30-minute Summer Day Camp swim lessons are a great way to boost your child’s confidence in the water. Lessons will take place before or after camp, during drop off or pick up times. Age groups and times vary by location.

You can purchase a week of swim lessons just like you would purchase a week of camp. Each week of swim lessons will have four, 30-minute swim lessons (one lesson each day, Monday–Thursday). Swimmers will be assessed at the start of each week and placed in a group appropriate for their age and skill level.

If swim lessons are at the end of the camp day, parents are required to pick children up from the pool.
