4K REGISTRATION INFORMATION

We are proud to support and collaborate with the School District of Waukesha to provide 4K to children and their families.

Our 4K programs integrate math, science, physical development, early literacy, creative exploration, and social and emotional development through play, small group, and guided learning. Teachers are educated in Early Childhood Education and certified by the Department of Public Instruction.

Children must meet the School District requirements prior to enrolling. Students must reside in the attendance area and turn 4 years old by September 1 of the year they are enrolling.

For more information about 4K, visit sdw.waukesha.k12.wi.us/earlylearning. Funding provided by the State of Wisconsin, School District of Waukesha, and other sources.
