# TIME FOR CHANGE

## NEW ONLINE SCHEDULES

GROUP EXERCISE | POOL | GYM

Our schedules are getting an upgrade! Stay up-to-date at [gwcymca.org/schedules](http://gwcymca.org/schedules) or through our YMCA app.

### MORE ACCURATE

Changes can be made in real-time so that the schedules on our website, Facebook, and app always list the most current instructors and offerings.

### MORE PERSONAL

Looking for one class? Really love taking classes with a certain instructor? Customize your view on our website or in the app by day, category, class name or instructor to see exactly what you're interested in.

### MORE OPTIONS

You can add any class to your personal calendar, which allows you to set your own reminders and coordinate your schedule.

### MORE INFORMATION

Class descriptions will be posted with the class list on our website, Facebook, and app. We can even include videos, links to more information, and instructor bios.

### MORE GREEN

Think before you print! Switching to online schedules means we'll be printing less and saving paper.

#### DOWNLOAD OUR APP

Search for "YMCA of Greater Waukesha" in your App Store and download the version from Netpulse.
