WAUKESHA YMCA
LIVESTRONG[®] GRADUATE

I know I'm not alone in the post-cancer battle to get back to some kind of normal. During the program, I have had the pleasure of working with a wonderful group of women that are very supportive and inspirational. We pushed each other to do our very best. I wouldn't have had my highs without the girls behind me.

This is such a positive program for cancer survivors. I hope every group has such wonderful people like mine.
