HOW TO REGISTER

Apply online or at one of our five full-service YMCA locations. Registrations are not finalized until confirmation is received from the Billing & Registration Office.

1. Visit gwcymca.org/Camp.
2. If you have an online account with us, select the "Login to Register" button. If you do not have a login, click the "How to Create or Manage Your Account" button for additional instructions.
3. Once logged in, select your child, enter their information, select the weeks you need camp, answer the required questions, and add the camps to your cart.
4. Please note: You must complete the full registration at one time, and the online process allows you 45 minutes to complete the registration. You must register for each week individually. Be prepared to have your child's immunization records ready prior to starting the registration.
5. If you have additional children you wish to register for camp, select the next child and repeat the process.
6. A \$25 deposit is due for each week of camp (per child) at the time of registration. Families using Wisconsin Shares need to complete a paper registration and send it to the Billing & Registration Office.
7. The Billing & Registration Office will contact you once your registration is finalized.

Online Registrations are preferred. If you are unable to register online, please contact us directly.
