HOW SPONSORSHIP WORKS

Choose your overall sponsorship level below. You can customize your participation level for each event while enjoying these standard benefits:

- **Event Recognition:** Your logo prominently displayed at all sponsored events based on level of sponsorship.
- **Digital Promotion:** Recognition of YGWC social media and website.
- **Event Registration:** Complimentary registration available based on level of sponsorship.
- **Community Impact:** All proceeds directly support Y programs, providing financial assistance to local families.

Customize Participation Levels Per Events: Upon selecting a level, you'll have the option to allocate your contribution to specific events. Please contact Geoff Mertens, gmertens@gwcymca.org, or Katrina Weinberg, kweinberg@gwcymca.org, to confirm prior to completing this form.
