

SUCCESS STARTS HERE

YMCA CHILDREN'S ACADEMY

Full-Day, Year-Round Child Care for Ages 6 Weeks to 6 Years

Our child care center is dedicated to providing an environment of trust, caring, learning, comfort, and safety. We provide child care that supports and strengthens families and nurtures the healthy, successful growth and development of each child involved.

The YMCA Children's Academy is licensed through the state of Wisconsin Department of Children and Families. We are a small family-oriented center, balanced with being large enough to offer structure and a wealth of experiences, offering care for up to 48 children. **We offer care Monday – Friday, 6:30 AM to 6:00 PM.**

STAFF YOU CAN TRUST

Our staff meets or exceeds the requirements of the state of Wisconsin and are CPR certified. They are required to have training and/or a degree in Early Childhood Development and experience with children. They must also keep current with continuing education hours. Most importantly, our staff are warm, caring and put first the needs of the children in their care.

CURRICULUM

The most important goal of the YMCA Children's Academy is to help children become enthusiastic learners. We follow the Creative Curriculum model.

Creative Curriculum goals cover development in 4 major areas: social, emotional, cognitive, and physical growth.
